

Running Streamlit App> streamlit run app.py

A screenshot of a Windows terminal window with a dark background. The terminal shows the following commands and output:

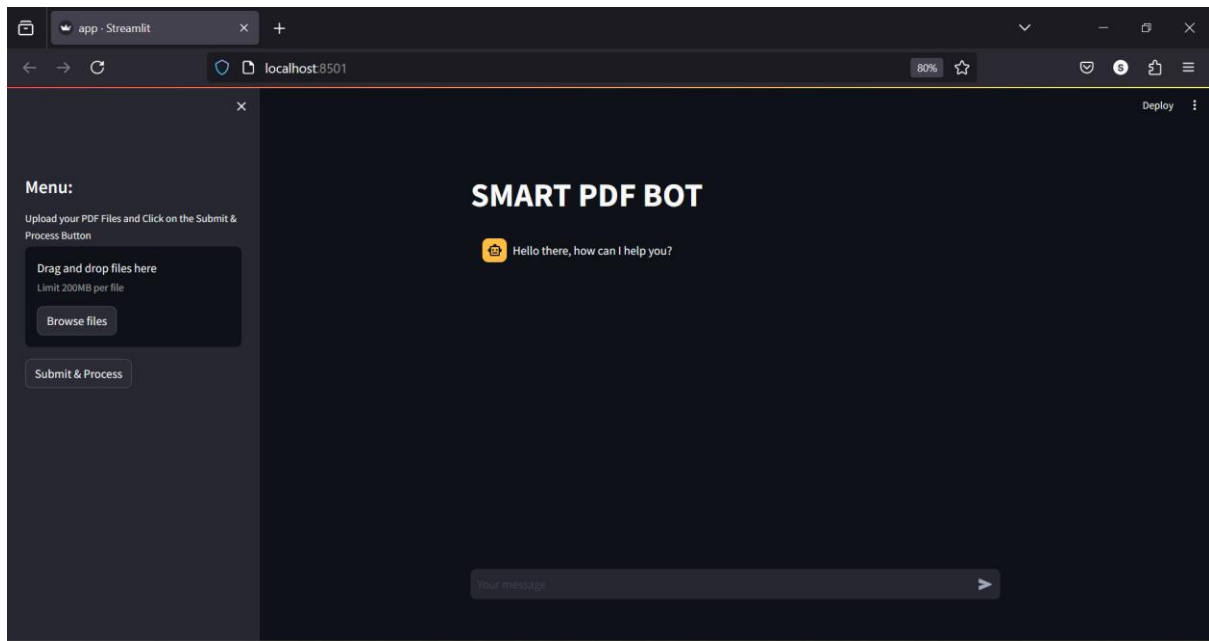

```
Microsoft Windows [Version 10.0.22631.3810]
(c) Microsoft Corporation. All rights reserved.

(.venv) D:\Downloads\Project\demo_5_langsmith>cd smartpdfbot

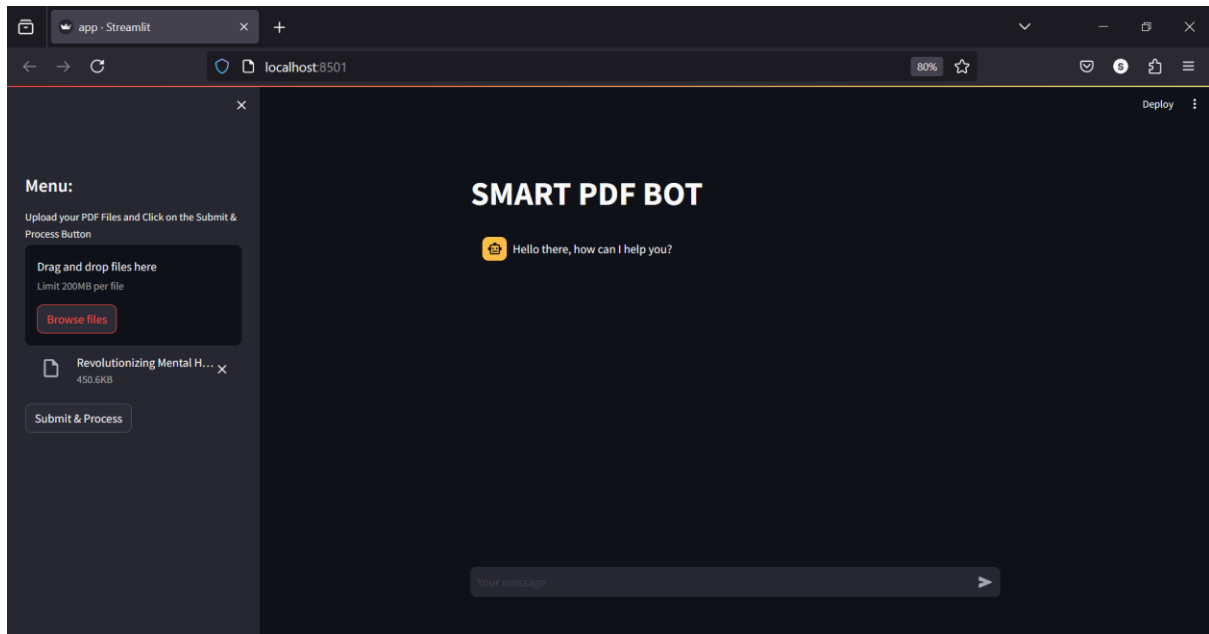

(.venv) D:\Downloads\Project\demo_5_langsmith\smartpdfbot>streamlit run app.py
```

The terminal window has tabs for 'powershell' and 'cmd'. The status bar at the bottom shows 'Ln 43, Col 5', 'Spaces: 4', 'UTF-8', 'CRLF', 'Python', '3.9.13 (.venv: venv)', 'Go Live', 'Prettier', and a bell icon.
